

JESUS MY REST
BY
ERENESTO ZINCONLINS

Jesus my rest
In him my faith is set
My life is now set
For I fear no test
Thy love for me is too much
No love can be matched
In him I found comfort
That makes me feel safe
For I can not be harmed

Jesus my rest
For peace I found in his breast
In green pastures he makes me lie
He watches over me that I may not want
My soul he doth restore again

Jesus my rest
Though I walk in death's dark vale
For in him I shall fear no ill

Jesus my rest
For my soul is soothed in thee
That my feet are guarded free
That I may not step on the Devil's tail

Jesus my rest
He rests my problems and gives me peace
That I may live in good peace
For Jesus is my rest.
